About Our School

At Longthorpe, our mission is 'United in Diversity, Inspired for Life.' This reflects our celebration of diversity, commitment to unity and focuses on inspiring children to achieve their full potential through an aspirational curriculum.

We value everyone and believe that we all have something we can learn from one another. Our mantra of 'Ready, Respectful, Safe' permeates every aspect of school life.

Longthorpe Primary Academy is situated to the West of Peterborough and is within walking distance of the city centre. We serve a wonderfully diverse community with 42 different languages at present and 16% of our cohort generate our pupil premium funding.

Longthorpe Primary Academy is part of Keys Academy Trust consisting of a group of five Peterborough schools: Longthorpe Primary, Nova Primary, Ravensthorpe Primary, Thorpe Primary and Jack Hunt Secondary. We work together to ensure pupil achievement, wellbeing and strive to provide the best experience for our pupils.

We are at an exciting phase of our journey following a very successful Ofsted inspection in April 2024. Our mission is to create an exceptional school which provides our children with the knowledge and skills they need to prepare them for the next phase of their education and beyond.

We are a diverse and happy school for children aged 4-11 years old. Our pupils are well behaved, eager to learn and enjoy all that school has to offer. We nurture children to be confident, independent thinkers who have a good sense of self-worth and belief in their own capacity to succeed alongside being effective learners; articulate, literate and numerate.

We encourage the children to have high aspirations of themselves, their achievements and futures. We want our children to be effective collaborators with a good range of communication and leadership skills, giving them the ability to clearly articulate their ideas and emotions, as well as consider those of others.

Children at Longthorpe will develop a strong sense of responsibility for their own learning, holding high aspirations of themselves, their achievements and futures. They will be effective collaborators with a good range of communication and leadership skills, giving them the ability to clearly articulate their ideas and emotions, as well as consider those of others.

We benefit from a low turnover of staff, all of whom are committed to having a positive impact on children's lives.

A strong home school partnership is integral to children's success and is highly valued; we encourage parents to take an active part in their children's education, and we provide opportunities for this.

About Our Trust

Our trust is a vibrant, diverse, and ambitious group of five academies in west Peterborough. Formed in 2018, we are a relatively young trust, which emerged from a strong, but loose, alliance of primary schools working with Jack Hunt secondary school.

Our schools serve communities which have many similarities but also significant differences, due to the cultural and economic diversity of the city. We celebrate these differences and ensure that each school retains a distinct identity within the trust.

Working together as a multi-academy trust has allowed us to use the expertise across our 5 schools to meet our common goals to give our pupils and students an inclusive, innovative learning community that respects and benefits everyone and has aspirational plans for the future. Our vision is to unlock the potential and create strong life chances for all the children we educate.

All in our trust have high aspirations for, and high expectations of, every single pupil and student. We want them to be well-rounded, confident, caring young people with leadership skills who are motivated to achieve their best in lessons and beyond the classroom. We want them to be involved in the school, local and global community and leave us as life-long learners, equipped to build on their success and contribute positively to our future.
